

FireIce Solutions

FireIce® XT 20-ounce Aerosol Spray

Safe for use around pets and children, FireIce® XT is an eco-friendly, easy-to-use, easy-to-clean suppressant gel designed to quickly and efficiently coat, cool, and contain heat-related events.

Tested for Safety & Effectiveness

Incredible Suppression

FireIce® XT Aerosol Spray utilizes the same powerful suppression agent as contained in the FireIce® UL-Listed Extinguisher, making it capable of containing a fire up to 5,000 ° F.

Fire Suppression Ratings

FireIce® XT gel has passed Custom UL711-40A Listing Equivalent testing.

Compliance

FireIce® XT is compliant with DOT 2Q DSC M5749, and contains no CFC's or VOC's per EPA & California Air Resources Board.

Intuitive Handling

Its foolproof single "handle-direction" orientation makes the FireIce® XT Aerosol Spray aerosol can intuitive for anyone to use during an emergency.

Foolproof & Lightweight Design

Easy Cleanup

FireIce® XT is easy to clean with just water.

Store Anywhere

A lightweight, slim profile makes it easy to store anywhere and easy for anyone to handle.

Sturdy & Reliable

High density construction with a sturdy design make the FireIce® XT Aerosol Spray a dependable choice for when you need it.

Eco-Friendly Testing

FireIce® is deemed environmentally benign by the EPA and USDA. FireIce® has been tested by the U.S. Forest Service and is classified as non-toxic to mammals, aquatic, and terrestrial species.
