Heavy duty vehicle mounting bracket for 2.5 gallon Firelce Fire Extinguisher.

Price **\$78.00**

### Firelce Mounting Bracket Bungee for Extinguisher

SKU: FI-MB

Vehicle mounting bracket with bungee cord for 2.5 gallon Firelce Fire Extinguisher.

Price **\$70.00**

## Firelce Heater Bag 12V

SKU: FI-FE-HB

The Firelce Fire Extinguisher Heater Bag is designed to prevent the Firelce® inside the extinguisher from freezing during cold conditions. It automatically activates at 35 F and deactivates at 45 F. The heating element operates at 12 V DC-12 W-1 Amp.

Price \$ 275.00

## Firelce XT 2.5 Gallon Premixed Refill

SKU: FI-FE-25GR

Firelce XT is a firefighting gel. Firelce XT breaks the fire triangle by suffocating the oxygen from the fuel by cooling the heat source, thus breaking the thermal barriers of fire. This prevents rekindles, which reduces property damage and increases safety. It is eco-friendly, non-toxic and non-corrosive. This premixed refill enables the quick filling of a Firelce UL 2.5 Gallon Extinguisher. A precisely measured 2.5 Gallon Premixed Refill for the Firelce UL Fire Extinguisher; just refill and pressurize in accordance with the manufacturer's instructions.

Price \$ 47.00
